

Drug Price Checker

The Drug Price Checker is a functionality that enables you to check the price of an individual product as it stands on the ProScript database. This can be a useful support tool while using the Ordering Manager or the Restrictions Manager.

You can access the Drug Price Checker from the top left-hand corner of the ProScript Connect Main Screen by clicking **ProScript Connect** > **Drug Price Checker**.

Checking a Drug Price

1. From the Drug Price Checker, press **[F1 – Drug Search]**.
2. The Select Drug to Check Price window displays.
3. Search for and select the drug of your choice.

Select drug to check price

loperamide 2mg
