

Accessing the GP Record Viewer

Any abuse of access to the GPRV, which is fully audited, would invoke severe legal and professional consequences. By accessing this medical information, you are confirming that written patient consent has been obtained and the pharmacy complies to the principles of the Data Protection Act 1988 and has completed the latest HSCIC Information Governance Toolkit.

- 1. Log in with your smartcard and launch ProScript Connect.
- 2. You can access the GP Record Viewer by searching for and accessing a patient's PMR, and from there, clicking the *Patient GP Record* tab.
