

# Viewing the Flu Service Dispensing History

## Viewing the Dispensing History

- To begin, search for, locate and select the patient from the ProScript Connect Search Screen for whom the NHS Flu Service was previously completed.
- Select the item that was dispensed for the PGD NHS Flu Service. Double-click the item to expand it's details. The item displays with a **PGD PhO** tag to highlight that it was dispensed as a PGD and recorded on PharmOutcomes.
