

## Approving PGDs on the Clinical Services Hub (Superintendent)

We have outlined the recommended workflow for superintendents to use when approving Patient Group Directions (PGDs) on the Clinical Services Hub. Use the workflow below to determine the steps you need to follow to approve PGD services for use at your organization.

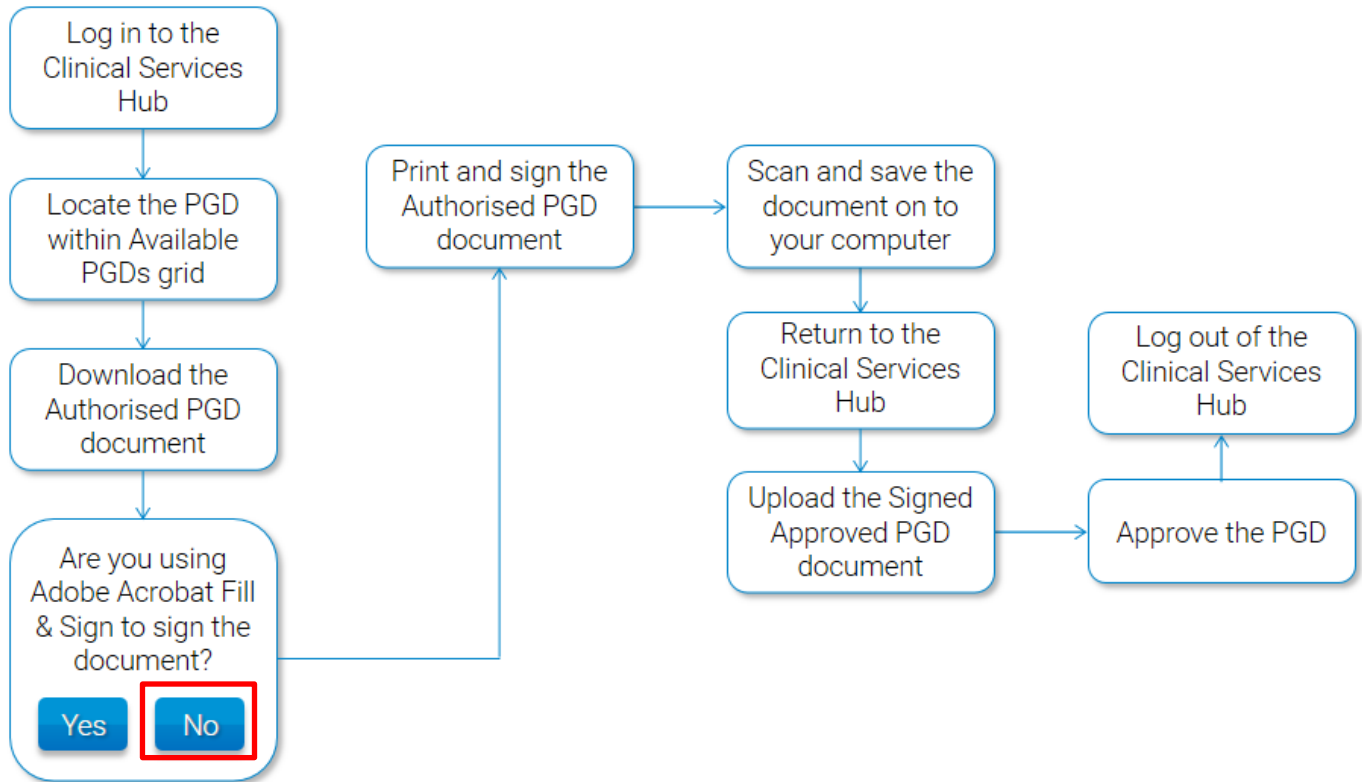

To follow the detailed step-by-step process on how to approve PGDs, see our Approving Patient Group Directions article.

You can find related articles for further guidance on the Patient Group Directions hub.
