3. Select the **[Login]** button. The CSH homepage displays relevant to your role.

The screenshot shows the CSH homepage for a Pharmacist user, Victoria Smith. The page is titled 'Service Provision Requirements' and features a table with the following data:

| Name   | Current Version | Expiry Date | Status |
|--|-----------------|-------------|--------|
| P2 Anaphylaxis and BLS refresher- Adrenaline | 1               | 31/12/2029  | ⊘      |
| P2 Mal- General                              | 1               | 21/02/2021  | ▶      |
| P2 Malaria Prophylaxis- Doxycycline          | 1               | 31/12/2010  | ▶      |
| P2 Malaria Prophylaxis- General              | 1               | 31/12/2023  | ▶      |
| Anaphylaxis and BLS refresher- Adrenaline    | 1               | 10/09/2020  | ▶      |
| Malaria Prophylaxis- Doxycycline             | 1               | 10/09/2020  | ▶      |
| Malaria Prophylaxis- General                 | 1.1             | 10/09/2020  | ▶      |

Below this table is a section for 'Available PGDs' with a search filter set to 'allergic rhinitis'. The table contains the following data:

| PGD Name                                  | Group             | Current Version | Expiry Date | Status |
|---|-------------------|-----------------|-------------|--------|
| P2 Allergic Rhinitis- Dymista Nasal Spray | General Treatment | 1               | 21/10/2020  | 🗑️     |
| Allergic Rhinitis- Azelastine Nasal Spray | General Treatment | 1.1             | 12/09/2020  | 🗑️     |
| Allergic Rhinitis- Dymista Nasal Spray    | General Treatment | 1               | 31/12/2022  | 🗑️     |

## Revision History

| Version Number | Date             | Revision Details | Author(s)     |
|----------------|------------------|------------------|---------------|
| 1.0            | 10 November 2020 |                  | Elyas Khalifa |
|                |                  |                  |               |
|                |                  |                  |               |
