

Saving and Delaying a Restrictions Template

Saving and delaying a restrictions template means that the restrictions template and its adjoining restrictions and pack notes will be saved on ProScript Connect and will be applied to the template's selected [branches](#) at a specific later date and time.

Selecting the Restrictions Template

1. From the Head Office Restrictions Manager, press **[F1 – Select Template]**.
2. The Search Restrictions Template window displays, with a list of existing templates on the system.

3. From there, search for and highlight the template you want to select.
4. Press **[F10 – Select]**.
5. The Head Office Restrictions Manager displays, with the template now selected, as per the top snippet.

Saving and Delaying a Restrictions Template

1. Ensure you have **added or removed** the required restrictions.
2. Ensure you have **added, edited or deleted** the required pack notes.
3. Once you are done, press **[F10 – Save and Publish]**.

Publish Restrictions Template

Publish Options

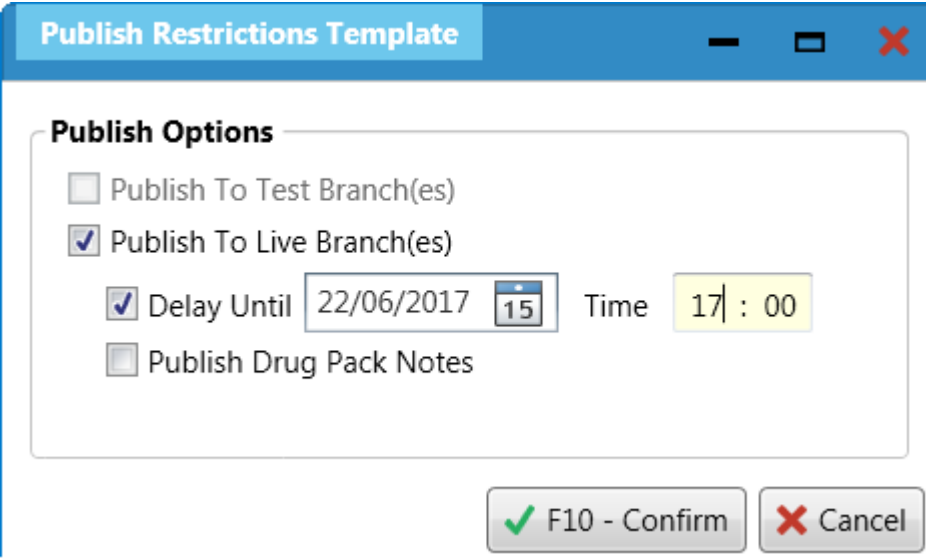

Publish To Test Branch(es)

Publish To Live Branch(es)

✓ F10 - Confirm ✗ Cancel

4. From there, you can:

- Select whether you want to publish the template to your test and live branch(es)
 4.
 - If you select to *Publish to Live Branch(es)*, you will have the option to:
 - Select whether you want to delay the publication until a certain date and time, which you can manually enter
 - Select to include the pack notes
 5. In this case, select the **Delay Until** tick box and enter the date and time until which you want the template publication to be delayed.

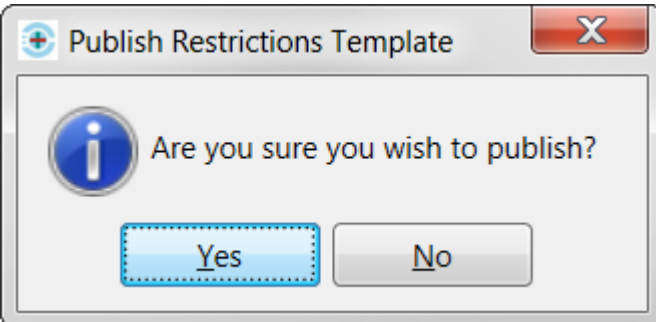

Publish Restrictions Template

Publish Options

- Publish To Test Branch(es)
- Publish To Live Branch(es)
 - Delay Until Time
 - Publish Drug Pack Notes

6. Once you are done selecting the relevant options, press [**F10 – Confirm**].
7. A pop-up window displays, asking whether you are sure you want to publish.

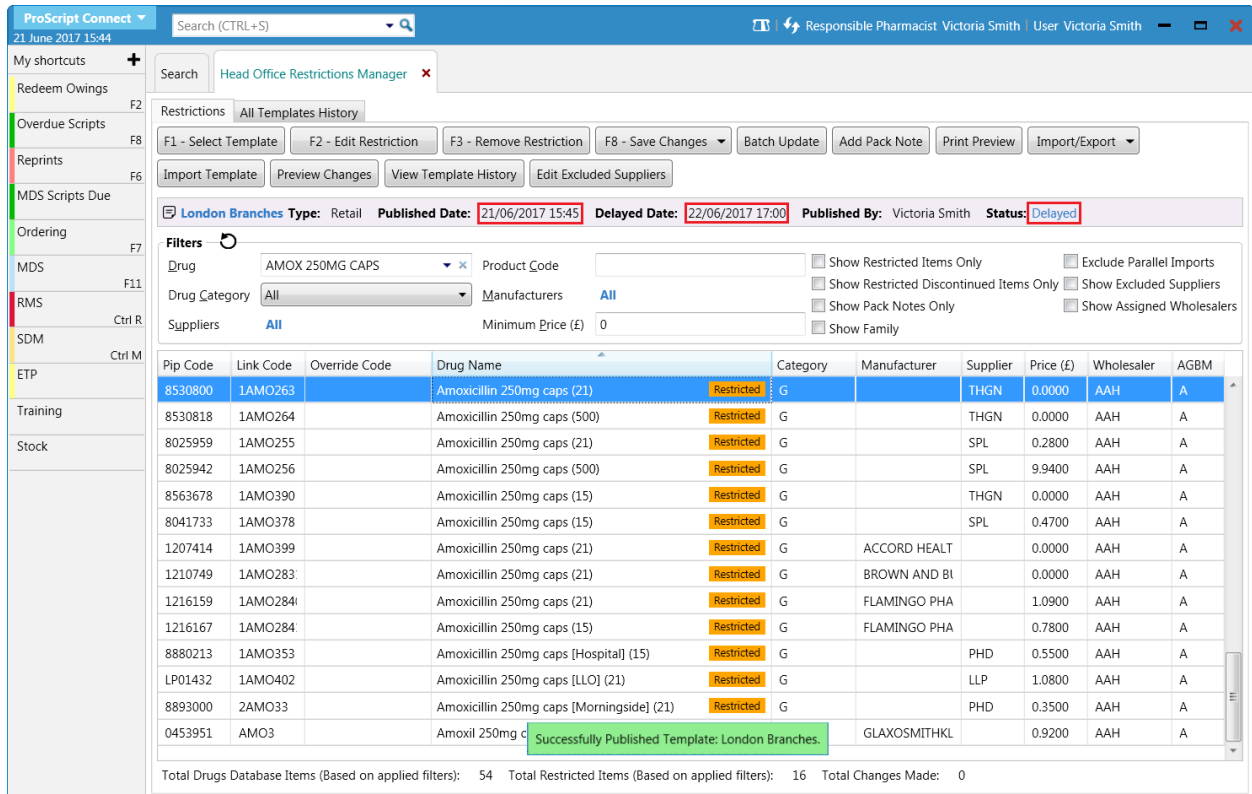

Publish Restrictions Template

i Are you sure you wish to publish?

8. Click [**Yes**].
9. A green snippet displays at the bottom of the Head Office Restrictions Manager, confirming that you have successfully saved and published the template (albeit delayed).

10. Notice that the top snippet will also display the date and time at which the template was last published, the date at which it was delayed, and its status.
